Dear Sir:

A request is made for the status of the above-identified application. We have not received any further communication from the United States Patent and Trademark Office since the Notice of Non-Compliant Amendment mailed on April 18, 2005. The response to this action was resolved in a telephone interview with an employee of the USPTO at the number printed on the bottom of the Non-Compliant Notice that Christopher D. Gram had on or about May 31, 2005. The matter was resolved with a finding that no resubmission was necessary because (Withdrawn - currently amended) in claim 1 is an appropriate status identifier.

Respectfully submitted,
